PROGRAM TESTIMONIALS...

"GYSA has been such an excellent resource for our school. As educators, we aim to give our children everything they need to succeed, but tight budgets often make it challenging to meet all our students needs. GYSA's School Sports Solution program is affordable both for our school and for our families. **Not only do the children receive the extra physical outlet they need but they also receive additional reading and social emotional support.** Thank you GYSA!"

PARTNER SCHOOL PRINCIPAL, 2019 - 2022 Seasons

"I think the program is fantastic. My son had never played basketball before and really loved the experience. He is excited to keep playing. **He learned so many valuable lessons both on and off the court.** We could not be more pleased with the experience."
