

GREATER YOUTH SPORTSSM
ASSOCIATION

SPORTS BUILDING SUCCESS

Greater Youth Sports is a 501(c)(3) nonprofit organization dedicated to making sports accessible for all children. As the largest elementary sports program in Nevada, GYSA provides affordable school-based sports programming including **flag football, basketball, soccer, track** and **cheer**, each of which is blended with Social Emotional Learning lessons and character development.

"I think the program is fantastic. My son had never played basketball before and really loved the experience. He is excited to keep playing. He learned so many valuable lessons both on and off the court. We could not be more pleased with the experience."
